Bus Services from Downtown Alliance

Description:

Description of Goods or Services to Be Bid

The Hugh L. Carey Battery Park City Authority has procured bus services from the Alliance for Downtown New York, Inc. (Downtown Alliance), a New York City Business Improvement District (BID) adjacent to Battery Park City. The Alliance's "Downtown Connection" bus service provides transportation for Battery Park City residents and approximately 47% of weekday stops either originate or end in Battery Park City. Since this service is provided by Downtown Alliance, a New York City BID that connects residents of BPCA with points within that BID's jurisdiction, and because any effort on behalf of BPCA to provide similar services would prove costly and logistically impractical, the Downtown Alliance qualifies as a single-source provider. Therefore it is not feasible to advertise in the New York State Contract Reporter. Based upon the forgoing, this procurement is exempt from advertising and we have placed this post-award notice.
