**Battery Park City Parks Conservancy (BPCPC) has procured the services of Crown Lift Trucks as a sole source**

provider to purchase two (2) Taylor-Dunn Vehicles. Crown Lift Trucks is the only distributor permitted to sell these specific vehicles in the New York City area. Crown Lift Trucks has the unique ability to provide electric vehicles, with the required dimensions and carrying capacity, which fit the unique design and narrow pathways of Battery Park City. Because of their unique ability to provide the specific vehicles needed by BPCPC, it was not feasible to advertise in the New York State Contract Reporter. Based on the forgoing, this procurement is exempt from advertising and we have placed this post-award notice.

**Reason for advertising exemption: Sole Source**

**Award recipient: Crown Lift Trucks**

*Any questions or comments regarding this notice of sole-source, single-source, or procurement otherwise exempt from advertising in the NYS Contract Reporter should be directed to the contact person listed for the contracting agency or public authority.*
