M/WBE UTILIZATION GOAL REQUIREMENTS FOR BPCA CONTRACTS: In accordance with Article 15-A of the New York State Executive Law and regulations adopted pursuant thereto, BPCA has established separate goals for participation of New York State Certified minority and women-owned business enterprises for all state contracts. BPCA is required to implement the provisions of Article 15-A and 5 NYCRR Part 143 for all state contracts (1) in excess of \$25,000 for labor, services, equipment, materials or any combination for the foregoing and (2) in excess of \$100,000 for real property renovations and construction. For purposes of this procurement, the Organization hereby establishes a goal of 10% for Minority-owned Business Enterprises (MBE) participation and 10% for Women-owned Business Enterprises (WBE) participation. (We are happy to work with you to help you identify opportunities for M/WBE participation, joint ventures and sub-contracting). As a condition of this procurement, the Proposer and BPCA agree to be bound by the provisions of §316 of Article 15-A of the Executive Law regarding enforcement. Proposers must document "good faith efforts" to provide meaningful participation by certified M/WBE subcontractors or suppliers in the performance of the awarded contract. For guidance on how BPCA will determine a Proposer's "good faith efforts," refer to 5 NYCRR § 143.8. Additionally, Proposers must refer to Mandatory Forms of this document for a list of forms that must be provided in order to fully comply with Article 15-A of the New York State Executive Law and 5 NYCRR Part 143.
