**Questions:** (answers to all question are shown in *Italics* immediately after the question) for example:

1. Addendum 2, question 2 states that Commissioning is part of our scope. Addendum 3, question 5 states that BPCPC will hire a third party commissioning firm. Please confirm if commissioning is within our scope for this project. *BPCA will be hiring the Commissioning Agent*
2. If commissioning is part of our scope, what is the policy of commissioning for BPCPC? We have an internal commissioning group that is not involved in any design of our projects, can we (as a firm) provide both Design and Commissioning? *See Above*
3. With the added scope, we would like to request an extension. *There will be no extension to proposal due date*
