

Project: Phase 3 Pile Remediation

Date: April 2, 2014

Engineer: McLaren Engineering

RE: Addenda #8

of Pages: 1

The following revisions and/or clarifications are to be made to the proposal documents for “(Insert project name)”. They are a result of issues discussed at the pre-proposal conference held on (“insert date of pre-bid conference”) and any questions received by close of business of same date (insert date again or insert correct date).

Clarifications:

1. Subject to certain prescribed protocols, restrictions and insurance requirements, Battery Park City Authority will be allowing prospective proposers to perform a diving inspection for the purpose of providing clarity regarding the conditions associated with the construction sites and to aid the firms in preparing proposals for the Pile Remediation projects. The inspections will be conducted between 7am and 3:30pm on April 9, 10, 11, & 14, 2014. If your firm is interested, please contact Michael LaMancusa at 212-417-4335 to schedule an inspection time.
2. The question time period for the projects will be extended to April 15, 2014 with a responsive addendum to be posted by the end of business on April 15, 2014 on the BPCA website and the NYSCR.

⋮

Questions: (answers to all question are shown in *Italics* immediately after the question) for example:

1. .

By signing the line below, I am acknowledging that all pages of the addenda has been received reviewed and understood, and will be incorporated into the bid price submitted. This document must be attached to the proposal for consideration.
